

New Transfer Student Fall Enrollment Preparation Checklist

June/July

- My transcripts and test scores have been postmarked by July 1st so that my coursework posts in time for Fall enrollment.
- I logged in to the [VAC](#) and reviewed/took action on all tabs in the New Triton Advising site.
- I [registered](#) for:
 - Biological Sciences Online Transfer Info Session
 - Q&A session, in case I have general fall enrollment preparation questions
 - Online Student Enrichment Opportunities Information Session
- I watched all videos in the Biological Sciences Online Transfer Info Session.
- I submitted an Unofficial Transcript Submission Form.

July

- I reviewed fall course offerings in the [Schedule of Classes](#).
 - Seats that have been saved for incoming students will be visible starting August 10th.
- I familiarized myself with [WebReg](#).
- I logged on to [TritonLink](#)
 - To review my Academic History and ensure all UC transferable coursework is accurately posted to my record with a UCSD equivalent (if applicable)
 - To access and review my degree audit

August

- I logged on to [TritonLink](#) to find my first pass & second pass enrollment times for Fall quarter.
- I logged in to the [VAC](#) to find my major course recommendations in the Contact Record section, provided no later than August 16th.
- I *enrolled* in 12 units minimally for full-time status. This does not include waitlisted classes.

September

- I checked my @ucsd.edu email account for information regarding Biological Sciences Welcome Week events.
- I am prepared to start Fall quarter on September 28th!
